

HISTORIC HOUSE *Weddings*

Map of Leighton Hall, Shropshire. SY5 6RN

Leighton Hall is approached from the B4380 in Leighton village. The Hall is not signposted from the road so you will need to keep a look out for the iron gates which are directly opposite Kynnersley Lane. Once through the gates continue along the driveway going straight on at the crossroads (you will pass the church on your right hand side). After the crossroads the driveway sweeps round to the right and you will see a gravel turning area at the front of the house. Please park on the gravelled area.
